The Curriculum

Accelerated Christian Education is built upon these five basic laws of learning:

- Students must be at levels where they can perform.
- Reasonable goals must be set.
- Students must be controlled and motivated.
- Learning must be measurable.
- Learning must be rewarded.

From its beginning, over 40 years ago, A.C.E. has held to these goals:

- A solid back-to-basics education program.
- A course of study individualized to meet the specific needs and learning capabilities of the student.
- A program incorporating character-building and wisdom principles.

Whether the student is a high achiever or a moderately paced learner, the A.C.E. educational process proceeds at the exact level determined by the child's ability.

Individualization makes it possible for each student to master the subject before moving on. Such mastery is the foundation upon which all future learning is built.

Biblical character training received as part of this learning experience prepares students to welcome and accept challenges and future opportunities that come their way.

Biblical values and concepts considered foundational to relationships and productive living, are conveyed throughout the curriculum in such a way as to become life-shaping influences.

Diagnostic Testing and Evaluation

Proper academic diagnosis is vital to our student's success. Students enrolled in Lighthouse Christian Academy are recommended to do the online diagnostic tests to determine skill and concept mastery. Advisors are then able to custom design a course of study from the test results for each individual student. Weak areas (gaps) are strengthened first; then the student continues, progressing at his achievement level.

Academic Advisors

Enrolled families are assigned to Academic Advisors who provide academic assistance. After reviewing the testing, the advisor prescribes curriculum based on the student's needs. Parents are then able to place a curriculum order. For high school students, advisors prepare a projected course of study outlining all courses needed for graduation.

Curriculum Discounts

After the non-refundable registration and tuition fees are paid, curriculum may be ordered as needed, payable upon ordering.

☑ 5% curriculum discount if tuition is paid in full before October 1st of the school year.

Permanent Academic Records

At the end of each semester, you are required to return the student's *scored* PACE TESTS to Lighthouse Christian Academy for review. These test scores are then transferred to the student's permanent academic record.

Honour Roll Recognition

At the end of the school year, all students meeting honor roll requirements will receive a certificate of either Honour Roll "A" or Honour Roll "B".

Transcript Services

Upon graduation or withdrawal, a transcript will automatically be sent, providing account is current.

High School Diploma

If you have been with LCA for at least one year, upon graduation, a high school diploma will be issued.
